## Abstract

---

(Times New Roman, font size: 9.5)

Up to 150 words (approx.). This must be concise and must not include any references.

1. The authors are expected to be the members of the Korean Institute of Electromagnetic Engineering and Science except for some special ones approved by the editorial board of KIEES. 2. A manuscript submitted for publication in JEES should be an original work that contributes to the academic interests of the KIEES members with technical values. 3. It must not have been previously published and is not to be under consideration for publication elsewhere. Responsibility for the contents of published papers rests upon the authors, not the JEES. 4. A paper manuscript can be submitted any time and the date of the receipt is the one on which the editorial office of the KIEES receives it. A revised paper manuscript should be submitted to the editorial office within one month from the date on which any change of the paper manuscript is requested to the author. If not, its initial date of receipt shall be nullified.

**Key Words:** About Five key words or phrases in alphabetical order, separated by commas.

### I . INTRODUCTION

(Times New Roman, Font size: 10.5)

5. The title of each paper is expected to cover the whole contents of the paper and it should be as concise as possible.

6. Publication of papers is subject to the sole decision of the editorial board. The editorial board may request corrections or shortening of the manuscript and may make inquiries to the author.

7. A cover of each paper manuscript should include a title, authors' names (main author and co-authors), author's organizations, contact information (email

address), and the author's area of expertise. The first page of a main text should only contain title, abstract with a length of about 150 words, and key-words with around five words.

8. Each paper should be written in A4 and be submitted in MS-Word format (use the JEES' template). The paper should also be written within 12 pages (with a two-column format) including figures, charts, and tables.

9. The numbers corresponding to chapters in the paper should be written in Roman numerals (I, II, III, IV...) and the numbers corresponding to sections should be written in Arabic numerals (1, 2, 3, 4...).
